RE: ██████████ ESTATE

Dear Mr. Briggs:

I wanted to write and thank you for the service you provided for my client. When Ms. ██████████ passed away her family was left to sort through a house full of old records. They wanted to be as thorough as possible to capture all available assets of the estate and your insurance search gave them the peace of mind that they were leaving no stone unturned.

Since the search findings were mailed directly to me, I wanted to let you know that your search turned up two active insurance policies for the estate: one policy was issued in 1941 and the other policy was issued in 1950. The two policies totaled a few thousand dollars and my clients were very pleased with the results. The \$75.00 search cost was money well spent.

I look forward to working with you in the future.

Very truly yours,
